

Consent Procedure

This procedure must be read and interpreted in the light of the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and the free movement of these data (GDPR).

Every person has the right to respect for his or her private life.

Personal data processing must be subject to "free, explicit and informed" consent from the data subject.

The purposes of processing must be clearly defined.

Only personal data strictly required for execution of the contract or mission must and may be processed by the controller.

The controller shall take appropriate technical and organisational measures to protect, secure and process personal data.
